STONE DISCOVER

40 Years of Legacy Since 1984

Stone Discover is a prominent manufacturer and exporter of tombstones and monuments, serving clients in the UK, USA, Germany, and Australia. Our parent company, MPG Group, has been a respected name in the natural stone industry since 1984. At Stone Discover, we offer a diverse range of products, including headstones, kerbsets, bespoke memorials, slants monuments, and flat markers. We are dedicated to delivering top-notch craftsmanship and ensuring customer satisfaction by providing personalized, high-quality tombstones and monuments that meet our clients' unique requirements.

HEADSTONE MATERIALS

We're here to tailor every aspect of the stone, from its material and design to the inscriptions and lettering, to match exactly what you need. Feel free to get in touch with us if you have any particular memorial requests or questions.
