40 *Years of Legacy* Since 1984

Stone Discover is a factory-direct manufacturer and wholesale exporter of premium granite headstones and monuments from India. With 40+ years of manufacturing experience, we supply monument dealers, funeral homes, cemetery suppliers, and memorial distributors across the United States and Canada . Our product range includes upright headstones, flat grave markers, slant and bevel markers, companion monuments, angel headstones, memorial benches, cremation memorials, and custom granite monuments. Every order is manufactured under strict quality control, securely packed for export, and shipped with reliable international logistics support.

Premium Granite Colors & Materials

We manufacture memorials using premium monument-grade granite sourced from trusted Indian quarries. Popular colors include Absolute Black, Bahama Blue, Steel Grey, Imperial Red, Black Galaxy, Tropical Green, and Viscount White, selected for their durability, polish retention, and engraving quality.
